# THE THIRD SECTOR TRUSTEE NETWORK FOR NORTHERN IRELAND

**“It is essential that trustees develop the knowledge and skills to run charities effectively, within the requirements of the law. The Charity Commission is always keen to ensure its messages reach trustees directly as it is they who are legally responsible for their charity. Learning together through a network provides an important mechanism for different charities to share their experiences and learn from each other.”**

**Tom McGrath**

**Chief Commissioner, Charity Commission for Northern Ireland**

# What is the CO3 Trustee Network?

The Trustee Network is a unique support service. We facilitate a range of themed networking events for Trustees (also known as Directors) on a monthly basis, to share information and experiences amongst their peers. We bring in a range of experts to speak on a variety of topics that sit under the broad theme of corporate governance. The purpose of the Third Sector Trustee Network is to inform, support and connect Trustees.

The benefits of membership:

- Peer Support
- Advice and guidance
- Networking
- Capacity building and skills development
- Advertising board vacancies

As a member of the CO3 Trustee Network you will have access to a free consultation on Corporate Governance Issues through Virtus Consultancy.

## Chairs' Forum

Within the Trustee Network we have created a Chairs' Forum. We offer opportunities for Chairs, Vice Chairs and former Chairs to come together and share experiences and learning at a range of events.

## Treasurers' Forum

Within the Trustee Network we have created a Treasurers' Forum. We offer opportunities for Treasurers and former Treasurers to come together and share experiences and learning at a range of events.

## Join Today!

Membership of the Trustee Network is £60 per annum. (Complimentary access to the Network is available for CO3 members.)

Discount is available for organisations that would like to sign up more than two Trustees.
